**From Editor's Desk**

On behalf of Tantia University Journal of Homoeopathy and Medical Science, i am glad to present the Volume 4, Issue 3 (July- Sept 2021) of the journal. The journal established in October 2018 is now getting indexed by different academic forums. The aim of this journal is to meet the need for continuing medical education of the members, scholar and medical fraternity and to publish article of scientific excellence.

Covid-19 outbreak has posed critical challenges for the public health, research and medical communities. Prevention is better than cure, in coming months lot of festival so be attentive yourself and others that always follow COVID appropriate behaviour. AYUSH system of medicine used in prevention of Covid-19 in different part of country. The public want a safe, effective and rational treatment. There is need of integrated approach of all system of medicine against COVID-19 pandemic.

We would like to thank all members of the Editorial Board, reviewers and all authors for support towards this journal.
